However, they stem from a similar goal and have similar beliefs. This applies to all sentient and insentient beings. According to Taoism, the entire universe and everything in it flows with a yin-yang. Much like Socrates in the West, Confucius was concerned with the goal of developing a good citizen. Both began as philosophies, each later taking on religious overtones. Buddhists believe that life is full of suffering, but that suffering can be overcome. The relationship among the three has been marked by both competition and complementation in history, with Confucianism playing a more dominant role. Retrieved 11 February
