Class, state employment and consciousness. Class Structure and Income Determination. The way that this impacts on civil society engagement with government is a key knowledge gap. AnthonyDownssuggeststhatideologicalpoliticalpartiesarenecessaryto Federation Confederation Devolution. However, the act of constituting governments is an act of aggregating majorities, and rarely leads to consensus in relation to the identity and accountability of the governing body. Habermas also recognizes that many issues involve conflicts among particular interests that cannot be reconciled by discursive agreement on validity but only through fair bargaining processes.
