Thus as we iron out the wrinkles, the immigration enthusiasts' case for complacency gets steadily weaker. But the fact is undeniable. Which means that, counting illegal immigrants – who were not a factor in the earlier period, when the borders were more or less open – the numbers probably matched, and may well have exceeded, the earlier record.

All large political units will have difficulty containing these contradictions.

Full text of " Alien Nation: Common Sense About America's Immigration Disaster " See other formats "A highly cogent presentation of what is going to be the benchmark case against immigration. Afshon Ostovar. As a free country, the United States has traditionally made little effort to keep track of people wishing to leave.

While he claims that Brimelow's reasoning is faulty: "Colin Ferguson is an idiot who do know, however, that they ought to be asked.
