Finally, I should note that, although this is an official publication of the CIA History Staff, the views expressed – as in all of our works – are those of the author and do not necessarily represent those of the CIA. Unlike its Senate counterpart, the House committee would have jurisdiction over

all legislation and oversight functions relating to all US agencies and departments engaged in foreign or domestic intelligence.

Thinking about all of the wealth and talent in the USA, how do we wind up with this? Thank you Robert Perry for your insight and intelligence. In naming Colby, the beleaguered President apparently wished to demonstrate that he was choosing a professional, one untainted by Watergate. The committee did resort to TV spectaculars, emphasizing the titillating rather than the essential. Jackson offered his protective assistance in a remarkable backstage meeting. The most crippling blow to Clinton came from FBI Director Comey in the last week of the campaign when he reopened and then re-closed the investigation into whether she broke the law with her sloppy handling of classified material in her State Department emails funneled through a home server.
