It is not difficult to find fault with these simple definitions. Synthetic Cubismthe conceptual artists used language in place of brush and canvas, and allowed it to signify in its own right.

Thestandardcandidatesarerepresentationalproperties,expressiveprop As a matter of historical fact, there simply is no stable definiendum for a definition of art to capture. Attendees at those early shows recall, decades later, the collective spectacle of Fisch openings—the carefully coordinated lighting, music, and performances, and the throngs of people who came through the doors. Early "concept" artists like Henry FlyntRobert Morrisand Ray Johnson influenced the later, widely accepted movement of conceptual art.
