The family does not belong to the state or any other institution. The narrative in Gn can be seen as the prototype of marriage and although other forms of marriages are described in the Bible, a revelation-historical survey of the biblical data regarding marriage reveals that the creational order should remain the ultimate test for this relationship. Add to Wishlist. CardinalMarcOpenPreviewSeeaProblem? Marriage and family life in Christian circles cannot be determined by nature or culture but only by the moral teachings of Scripture. Paperbackpages. As a result of the development of societal spheres of authority in history, the mutual dependence and interaction between the various spheres of authority shaped the idea that marriage must also be a public institution. Christianethics.Institutional contexts comprise those that God Himself instated, including marriage, family, the church and the state. Follow us.
