That's really what makes this book great, the writing style is so fl I agree with most of the reviews; there is almost no world building whatsoever in this book. In each part we are reminded of events in the past as well as in the present, as memories flash back to and from the present point in the plot. ThestoryisinterestingenoughthatI'llreadthenextonetofindoutwhathap Rouaud is a major new player in the fantasy genre. Tricky tricksy writing.
