You have chosen to share the following article: How elderberries can help you fight the flu To proceed, simply complete the form below, and a link to the article will be sent Hurt And Pain email on your behalf. Being sick is being unwell. Every woman who has a medical abortion will respond differently.

This is all a normal part of inflammation, and it all makes perfectly good sense. Really the main difference is that we use pain for distinct and specific feelings, while hurt is for more general, broad discomfort. Thank you for standing in the gap with this prayers and words of encouragement. In this pain-averse culture, those of us who wake up in pain every morning may feel that though they had been physically injured!
