Regional Policy and Finance. In the meantime, before the collapse of the current system, anything we do to protect some natural or social resource from conversion into money will both hasten the collapse and mitigate its severity.

Due to its high birth rate India has a young population compared to more developed countries. Democratic competition frequently emerges because autocrats lack the state capacity to steal elections, impose censorship, or repress opposition. The boom in support appears to have been also boosted by the successes of the

nearly year-old Maoist rebellion in Nepal.
