This story showed that when you have a strong feeling you should follow it and you may just find what you have been looking. You need all of your creative wits about you to imagine the essential and fantastical machinery and transportation at the teams disposal.

Spotthesleepyorangesmudpuddling,themonarchsmigrating,orthetheAmazons I am the same in my reading habits; I strongly dislike books that are overwritten or just way too slow. The mind games in this thought-provoking novel are sure to thrill readers as they work to figure out what it means when someone takes your dreams. This funny, adventure-packed story teaches children that even though people are different, they can still have fun .
