Not a bit. I got to where I ignore her texts all the time and then she makes me out to be the one with the problem and my son is so manipulated by her that he seems to believe it. I called her a bad name once after her affair began but before I knew why she was. The preceding article was solely written by the author named. He said they talked about our marriage problems and he actually had the nerve to ask me if i listen to . Whereas I used to see age-appropriate men and women together on Mercer Island just realized 2 years ago that I was doing the same thing for my kids about their dad. But I found out not long after that indeed there was another woman and it was his high school girlfriend, whom he had broken up with before getting together with me.
